

REMARKS

These remarks are in response to the Final Office Action dated January 25, 2011. This response is timely filed.

In the Office Action, the terminal disclaimer was rejected for failing to comply with 37 CFR §1.32(c)(3) because there were more than ten practitioners listed in the Oath/Declaration. Applicants submit herewith a Communication Regarding Power of Attorney on Declaration which clarifies the practitioners that should be listed in connection with this application. Although no fees are believed due, the Commissioner is hereby authorized to charge any underpayment to Deposit Account No. 50-0951.

Applicants have made every effort to present claims which distinguish over the prior art, and it is thus believed that all claims are in condition for allowance. Nevertheless, Applicant invites the Examiner to call the undersigned if it is believed that a telephonic interview would expedite the prosecution of the application to an allowance. In view of the foregoing remarks, Applicants respectfully request reconsideration and prompt allowance of the pending claims.
